

COVID-19 POLICY

Effective 03/17/20 – 03/31/20

The Illinois State Dental Society has recommended postponing any elective dental procedures, including Cleanings, Fillings, Cosmetic Dentistry, and Orthodontics.

We will be following the ISDS recommendations through the end of March. At that time we will begin rescheduling patients in order of their initial appointments. We will remain open (with limited hours) to handle any EMERGENCY dental procedures. This will be done on an “as needed” basis with additional measures taken to ensure the safety of all patients.

We will not see emergency patients if they exhibit any symptoms of COVID-19, including cough, fever, or shortness of breath.

We apologize for this inconvenience.
